1. The following is an examiner's statement of reasons for allowance: Applicant's arguments overcome the objection to Figure 4 regarding the showing of the details of the clip 50 being attached to another portion of the brake shoe assembly. With respect to claim 4, as clearly shown in Zawodni, as modified, the clip grips the webbed flanges of the brake shoe assembly and not the arcuate surface for supporting the brake lining as claimed. With regards to claims 9 and 17, the prior art of record fails to show or suggest the limitation of the clips having connector portions *directly* attached to the backing plates.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Melody M. Burch whose telephone number is 703-306-4618. The examiner can normally be reached on Monday-Friday (7:30 AM-4:00 PM).
